California Continuum, Volume 1:

Migrations and Amalgamations

John Brantingham and Grant Hier

California Continuum, Volume 1: Migrations and Amalgamations is a non-chronological look at little discussed aspects of California history. Hier and Brantingham look as far back as California's geologic past, fast forwarding to the age of the mastodons, to when only Native Americans inhabited this land, to the present age.

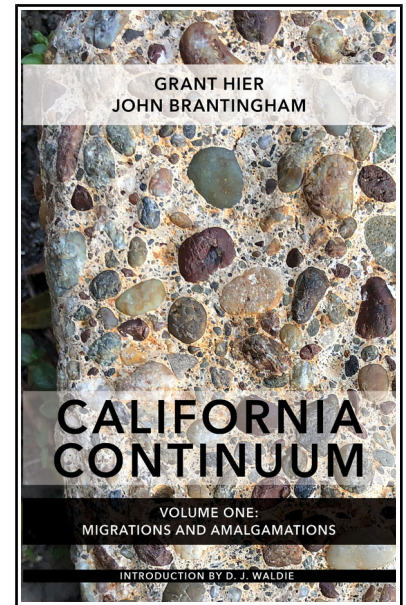

About the authors

John Brantingham is the first Poet Laureate of Sequoia and Kings Canyon National Park, the writer-in-residence at the dA Center for the Arts in Pomona, California, and a professor of English at Mt. San Antonio College. His work has appeared in hundreds of magazines including *Writer's Almanac*, *The Journal*, *Tears in the Fence*, and *Confrontation*.

Grant Hier is the Poet Laureate of Anaheim, California. He was the 2014 recipient of Prize Americana for his book *Untended Garden* and nominated for both an American Book Award and the Kate Tufts Discovery Award. He was awarded the Nancy Dew Taylor Prize for Literary Excellence in Poetry in 2014 and the Kick Prize for poetry in 2013. For more than a decade he served as Chair of Liberal Arts and Art History and Faculty Senate President at Laguna College of Art + Design where he remains as Full Professor, teaching courses in literature and creative writing.

About the publisher

Pelekinesis is an independent book publishing company focusing on the development of literary-minded authors and artists by embracing the evolving publishing paradigm and creatively supporting the skills of these talented individuals.
